*I understand this is an annual membership application with total payments of $116.28 per year. Dues are subject to change. For each Cost-of Living Adjustment (COLA) effective after 2024, annual and monthly dues will increase by multiplying the percentage of the COLA by the annual dues amount at the time the COLA is effective. If I choose to pay by payroll deduction, I will have the option to cancel my membership each year during the last ten (10) working days of July. If I do not notify my payroll clerk of membership cancellation during the last ten (10) days of July, my membership will automatically be renewed for the next year. I further understand that if I leave state service my payroll deduction membership dues will cease. I also understand that annual membership dues of $116.28 per year include $10.67 for an annual subscription of the *Insider.*
